**Abstract**  
**Awareness of Al-Saedi on explanation in Good style Issues Study and Straightening**

This research has introduced to get Master Degree in Arabic Eloquence , from the Arabic graduate studies department, section of Art and Eloquence at Arabic language faculty at Umm Al-Qura University on H prepared by the student / Salman Bin Mohammad Bin Hassan Al-Qarni.

This research took issues which was taken by Al-Shakh Abdul-Mota'al Al-Saiedi ( H ) on the Khateeb Al-Qozwaini ( H) in Good style Issues, the Saiedi has many meetings with Alkhateeb asking about what and is done what is missing, this study excluded in good style chapters in the explanation, so we divided the research into three chapters :

In the preliminary, the research took a good style place at the Saiedi opinion and what he said about its chapters in his books which included this issue.

Then the studying chapters the research took :

- the first chapter took the Awareness at the introduction of good style science and comparison chapter and in it is nine distributed issues into two parts researches.
- In the second chapter the research took the Awareness at the reality and figuration chapters and has fifteen issues distributed into two parts researchers
- In the third chapter took the Awareness at metonymy and equivalency and has six issues distributed into two parts researchers
- The research highlights the scholars talk in general, and the explanation in special in these issues.

It was clear that was Saiedi has affected by the antecedence specially in explanations therefore this research trying to support Al-Saiedi opinion in these issues and explains the great idea came out from him.

Also the research trying to clarify the correctness inside these awareness
