Abstract

Praise be to Allah, Lord of the universe; blessing and peace be upon the honest Muhammad Ibn Abdillah

Title: The Book of (Dalail Al-Nobowwah- "Prophethood's Indicators"- Chapter Twenty- Eight- Stories Pertaining to His Battles" by Abu Naim Al-Asfahani)-Study & Verification

This research was submitted for obtaining Doctorate Degree

Study prepared by (student): Abdullah Ibn Rafdan Abdullah Alshahrani

Supervised by: H.E. Prof. Dr. Mohammad Omar Ibn Salim Bazmol

Objective: Study & verification of the Hadiths (Prophet' sayings) of this chapter as well as elucidating the degree of their authenticity,

Book's Theme: Collection of Hadiths and indicators showing the truthfulness of the Prophethood of Our Prophet, Muhammad (Blessing & peace be upon him)

The study comprises an introduction, two parts, conclusion and contents.

First Section: This covers the author's life and arts of Prophethood indicators and include the following:

Chapter One: This tackles the author's personal life.

Chapter Two: This deals with the art of Prophethood and things associated to it.

Section Two: This pertains to the Book itself and includes the following:

Chapter One: This deals with theoretical aspects of the Book

Chapter Two: This is focused on the study and verification of chapter twenty – eight.

The most important results:

- Clarify the significance of this art, its positive outcomes and to what extent scholars gave attention to this particular chapter

- Emphasize the academic status of authors and his substantial impact on Muslim library and highlight the sublime status of his Book, Dalail Al-Nobowwah.

- Confirm that the authentic Hadiths of the verified portion were (24) and hose of good standing were (49) while the remaining were described as weak Hadiths, but most of them have either some origin from the authentic Hadith or become enhanced with their evidences

Results:

I have recommended the esteemed Department to seriously adopt a project for verification of the whole which is still considered among the manuscripts, I have indicated this fact when I enumerated the publications written about the Book,
